ENROLLMENT DEADLINE IS TUESDAY, MARCH 5

STANBRIDGE ACADEMY

SPRING 2019

-AFTERSCHOOL- CLUBS & ACTIVITIES

STANBRIDGE ACADEMY IS PROUD TO OFFER A VARIETY OF AFTERSCHOOL ACTIVITIES FOR STUDENTS IN ALL DIVISIONS— FROM ATHLETICS TO ENRICHMENT CLUBS TO YEARBOOK CREW, THERE'S SOMETHING TO ENGAGE EVERYONE.

ENROLLMENT IS ON A FIRST-COME, FIRST-SERVED BASIS, AND SPACE IS LIMITED, SO REGISTER EARLY!

**ENROLLMENT DEADLINE IS
MARCH 5, 2019**

MONDAYS

Chess Club

Instructor: Daniel Geller
Strategy & Concentration / Grades 5–12*
\$275 total / Once a week

*Experienced Middle El players are also invited to join.

Come join Stanbridge Academy's chess club! All levels of experience are welcome. Students who participate will sharpen their focus, learn strategy and logic, and improve visualization techniques, all while having a great time and being part of a team.

Prior to joining the Stanbridge staff, Daniel taught chess at schools in Atlanta, as well as private groups and individual sessions, for over a year. He is a lifelong chess player, as well as an ongoing tournament player, and believes profoundly in chess as an educational resource.

Dodgeball Club

Coach: Ben Grigsby
Agility & Building Endurance / Grades 4–12
\$260 total / Once a week

Students will learn the skills, rules, workouts, and game play of dodgeball. This is a competitive club featuring practices with and games against other schools in the Bay Area Small School Athletic League. Dodgeball stresses fitness/anaerobics, teamwork, and sportsmanship, and develops agility, endurance, flexibility, and hand-eye coordination. New members welcome; no special equipment or experience required. The team may compete in a intermural game hosted at home—date TBD.

Ben (Stanbridge Class of '08) is a Teaching Assistant at Stanbridge and loves running stamina drills, ducks, and dodges while coaching various versions of Dodgeball to stretch the imagination, as well as the muscles.

Dungeons & Dragons

Instructor: Justin Silbaugh
Social Learning & Storytelling / Grades 5–12
\$265 total / Once a week

Yes, that's right, the world's greatest fantasy role-playing game returns this session for dangerous new quests and adventures! Participants will cultivate creativity while imagining their own stories in this popular tabletop, role-playing game. D&D develops storytelling skills, math skills, patience, and good sportsmanship. Treasures and secrets abound! Develop leadership skills as Dungeon Master, if you dare!

Justin has been facilitating D&D clubs at Stanbridge for the last year. He loves to see new players come to the game, bringing their theatrical and problem-solving skills for the benefit of the quest!

MARVEL-ous Mondays

Instructors: Danny Martin
Humanities & Social Learning / Grades 7–12
\$310 total / Once a week

Explore and read about your favorite Marvel Superheroes. Each week we will discuss Marvel characters, their stories, and characters including interpersonal relationships between characters, their allies, and family traits. Focus will be on debate and discussion within the group to build appropriate conversational skills with peers. Two after school field trips to the movies (*Captain Marvel* and *Avengers: Endgame*) will be part of this club – pick up for those days will be at the theatre.

As an actor and educator, Danny is a fan of long form storytelling. He loves discussing how comics reflect our world and how superheroes represent the heroes we see everyday.

TUESDAYS

BASSAL Cross Country Team

Coach: Genevieve Lawrence
Health & Building Endurance / Grades 8–12
\$255 total / Once a week

Increase your cardiovascular fitness level! Beginners and Stanbridge athletes in other sports are encouraged to join Cross Country. Starting at their own pace, runners will build strength and endurance, and ultimately compete in a meet hosted by Hope Technology School.

Genevieve teaches Humanities in the Junior High School division. She is an experienced cross country competitor and is eager to share her passion for the sport with our students.

Ceramics

Instructor: Camille Geraci
Artistry & Creativity / Grades 5–12
\$350 total / Once a week

Students will create functional and non-functional ceramic projects using different methods of working with clay such as hand-building and using the potter's wheel to create bowls, plates, and vases.

Camille loves to inspire others to find their creative voice! She has taught art classes to students of all ages for many, many years. She enjoys working 3-dimensionally (3-D) and holds a MFA degree in Sculpture. In addition to teaching art she is also a professional who makes 2-D and 3-D artwork for musical bands.

Express Yourself

Instructor: Danny Martin
Artistic Design & Creativity / Grades 7–12
\$295 total / Once a week

Vincent Van Gogh. Jackson Pollock. Keith Haring. Artists have expressed themselves through the painted canvas for centuries, communicating their emotions through splashes of color. Have you ever wanted to learn painting techniques like the greats? We will learn how to mix colors and use different style brushes to create hangable artwork. Both directed paintings and open-ended creations will occur during this session allowing students to learn and explore.

Danny has been painting since 2015. His collection was on display in 2017 at the Burlingame Parks and Recreation Department during the month of September. He loves teaching and learning new skills and finds that art is a great way to relax the brain through creative expression.

Swim Club

Instructor: Mark Kelley & San Mateo YMCA
Gross Motor Skills & Endurance / Grades 3–12
\$400 total / Once a week / 8 weeks only
*This club is also offered on Thursdays.

This is a great way for students to practice the basics or develop a stronger swimming technique in a low-stress setting. Swim Club will be taught by YMCA instructors to small groups of Stanbridge-only students. Students will participate in homework club before being transported to the YMCA for lessons and pick-up at 5:00 p.m. Tuesday dates: Mar 12, 19, 26, Apr 2, 9, 23, 30, May 7; no class Apr 16, May 21; make-up class May 14.

YMCA swim instructors provide direct instruction and motivation for students using national YMCA principles and program models. They help students develop a solid foundation of aquatic skills, ranging from basic water adjustment to advanced swim techniques and demonstrate the Y's core values of caring, respect, honesty and responsibility. Swimmers may enroll in one or both days. *Minimum 7 students required.*

WEDNESDAYS

Club Generations

Instructor: Craig Siulinski
Project Management & Oral History / Grades 5–12
\$255 total / Once a week

Learn the value of social connections between generations. Students will learn how to conduct oral history interviews, meet local seniors with histories to share, and relate their oral history experience in written, artistic, or verbal forms. Students will visit The Peninsula Regent, a local retirement community, to participate in a social icebreaker and be matched with a senior.

Craig enjoys helping students in Stanbridge Learning Support by day. His evenings and weekends are devoted to teaching people how to record and share their oral histories for younger generations.

Garden Party

Instructor: Molly Chappell
Health & Sustainability / Grades 4–12
\$295 total / Once a week

Connect ecology and biology with practical gardening and outdoor activity. Come outside and get your hands dirty! We will start, grow and take care of fruit and vegetable plants in the school garden; prune and manage perennials and annuals; create homes and resources for small garden friendly creatures; and make the garden more user-friendly.

Middle El teacher Molly took over as the garden caretaker this school year. Molly loves teaching kids about all the wonderful things the earth has to offer!

P4: Python Club

Instructors: Justin Silbaugh & Daniel Geller
S.T.E.M.* & Project Management / Grades 7–12
\$255 total / Once a week

P4 - Programming Practical Projects with Python
Have you ever wanted to program a robot, automate a motion sensor device, or write code for your YouTube channel? This Spring, join the first Python programming club hosted by Stanbridge S.T.E.M. teachers with engineers from the San Mateo-based software company SnapLogic as guests. This club is open to beginners who have never programmed before, as well as more experienced coders who are looking for new skills and greater challenge.

Justin Silbaugh and Daniel Geller are *Science, Technology, Engineering, Math teachers at Stanbridge. They are both enthusiastic about making programming accessible and fun for students at all experience levels!

Storytelling Workshop

Instructors: Mary Stadler, MFT
Storytelling & Project Management / Grades 3–12
\$265 total / Once a week

We will explore the elements of creating and telling a good story using drawing, writing, photography, music, acting, or voice. Students will create fiction or non-fiction stories and practice skills including storyboarding, bringing vivid characters to life, and choosing the best presentation format.

Mary is a counselor and former teacher committed to helping students tell their own stories as a path to knowing themselves and the world more fully.

THURSDAYS

Creative Play

Instructor: Mike Peterman
Social & Gross Motor Skills / Grades K–12
\$310 total / Once a week

This club provides children with opportunities to develop play skills in a fun and motivating way while building confidence and self-esteem. "Big Mike" is a master at using creative play to dramatically improve a child's social interaction. Designed for both social and gross motor skill development, many students benefit from additional extracurricular, guided play to develop their social and gross motor skills.

Mike Peterman is a Play Therapist, Inclusion Specialist, and Coach for Peninsula school districts, as well as a private coach. Several staff members have witnessed Mike's work here over the years and can vouch that it works! See Mike's website for more information: www.bigmikesplay.com. *Minimum 8 students required.*

Jewelry Making & Design

Instructor: Dragonfly Designs
Artistry & Creativity / Grades K–8
\$260 total / Once a week

Tap into natural, creative talents and personal style by designing your own jewelry! Begin with the basics and create a journal to document techniques. Practice jewelry making skills such as crimping and bead stringing with tools of the trade, then design your own pieces. Choose from a huge selection of colors, textures, and beads to make unique pieces. Once the basics have been mastered, students will advance to more complex techniques such as wire work & stamping & dapping metal.

Dragonfly Designs has highly trained, college-educated instructors who often design their own art & jewelry. Their expert assistance will help students tap into their own creativity, allowing them to make art & jewelry pieces worthy of a storefront window. *Min./Max. 8 students.*

Swim Club

Instructor: Mark Kelley & San Mateo YMCA
Gross Motor Skills & Endurance / Grades 3–12
\$400 total / Once a week / 8 weeks only
*This club is also offered on Tuesdays.

This is a great way for students to practice the basics or develop a stronger swimming technique in a low-stress setting. Swim Club will be taught by YMCA instructors to small groups of Stanbridge-only students. Students will participate in homework club before being transported to the YMCA for lessons and pick-up at 5:00 p.m. Thursday dates: Mar 14, 21, 28, Apr 4, 11, 25, May 2, 9; no class Apr 18, May 23; make-up class May 16. Pick-up is at 5:00 p.m. at San Mateo YMCA.

See Tuesday for instructor description. Swimmers may enroll in one or both days. *Minimum 7 students required.*

FRIDAYS

BASSAL Badminton Team

Coach: Mark Kelley
Health & Teamwork / Grades 7–12
\$230 total / Once a week

Smash. Flick. Drop. Clear. Due to an overwhelming vote in the Bay Area Small School Athletic League (BASSAL), we welcome Badminton to court competition! Focus on components of the game including forehand, backhand, serving, proper scoring, and other skills that will allow players to hone their game. Activities include 1:1 coaching, match practice, and game tactics.

Mark Kelley has a passion for Badminton, which he's been playing his entire life. This is his third year coaching the Stanbridge team.

Board Game Bonanza

Instructor: Ben Grigsby
Social Learning & Strategy / Grades 5–12
\$230 total / Once a week

Students will play a different board or card game each week in order to practice lifelong cognitive and social-emotional skills. Improve focus & problem solving, learn how to communicate verbally, share, wait patiently, and more. Along the way, students will learn the rules of each game.

Ben Grigsby is a Stanbridge alum with nine years of experience as a teaching aide, substitute teacher, and chaperone. He is a card-carrying game fanatic and has an expert understanding of what makes a game work.

Creative Explorers Art

Instructor: Dragonfly Designs
Artistic Design & Creativity / Grades K-8
\$240 total / Once a week

Enter into a creative world full of endless possibility with Dragonfly Designs! Divergent thinking, the ability to look at multiple ways to solve problems, is the most valuable life skill we can teach our children. Students will go on an adventurous exploration of art mediums such as metal, clay, wax, wood, paper and glass to create innovative projects from candle making, mosaics, painting, tie dye, jewelry design, etching, paper mache and so much more!

Dragonfly Designs has highly trained, college-educated instructors who often design their own art & jewelry. Their expert assistance will help campers tap into their own creativity, allowing them to make art & jewelry pieces worthy of a storefront window. *Min./Max. 8 students.*
